# NOTICE OF PUBLIC HEARING

## BY THE ORANGE COUNTY ZONING ADMINISTRATOR

**SUBJECT:** Public Hearing on Planning Application PA21-0093 for a Site Development Permit to allow for a 56-unit single-family residential project, model homes, and a Project Specific Alternative Site Development Standard

**LOCATION:** The project site encompasses all of "B" VTTM 19150, which is located on Lots 40 through 51, N, U, W, X and LL of "A" Tract Map 17932, Subarea 3.2a of the Ranch Plan Planned Community, in southeastern unincorporated Orange County, east of Ranch Canyon and north of Cow Camp Road, within the Fifth (5th) Supervisorial District.

**PROPOSAL:** Rancho Mission Viejo requests approval of a Site Development Permit to allow for the development of 56 Planned Concept Detached Single-Family Dwellings on a 9.06-acre site, 5 model homes, and a Project Specific Alternative Site Development Standard. The Project Specific Alternative Site Development Standard would allow for 8.4-foot aggregate setbacks and 8.4-foot building separations where 10-foot aggregate setbacks and 10-foot building separations are the minimum required.

**ENVIRONMENTAL DOCUMENTATION:** The proposed project is covered by previous CEQA documentation, which includes Final Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1, approved February 25, 2015. This finding is appropriate and complies with the intent of CEQA, pursuant to the Orange County 2020 Local CEQA Procedures Manual, Section 13.1 for projects where a previous environmental document (i.e. Program EIR 589) is already in place. Further CEQA evaluation and clearances are not required for proposed site development permit PA21-0093.
