RECOMMENDED ACTION(S):

Land Development recommends that the Subdivision Committee:

- 1. Receive staff report and public testimony as appropriate;
- 2. Find that Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 2006; Addendum 1.1 (PA110003-06) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015; reflect the independent judgment of the County and are adequate to satisfy the requirements of CEQA for approval of Vesting Tentative Tract Map (VTTM) 19032, which is a necessarily included element contemplated as part of the whole of the action considered in Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, and Addendum 3.1.
 - a. The circumstances of the project are substantially the same as described in Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, and Addendum 3.1 which adequately addressed the effects of the project proposed in VTTM19032. No substantial changes have been made in the project that involve new significant environmental effects or a substantial increase in the severity of previously identified significant effects; no substantial changes have occurred in the circumstances under which the project is being undertaken, that involve new significant environmental effects or a substantial increase in the severity of previously identified environmental effects; and no new information of substantial importance to the project which was not known or could not have been known when Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, Addendum 3.1 were certified and approved has become known; therefore, no further environmental review is required.
 - b. Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, and Addendum 3.1 are adequate to satisfy the requirements of CEQA for VTTM19032.
 - c. All mitigation measures are fully enforceable pursuant to Public Resources Code section 21081.6(b) and have either been adopted as conditions, incorporated as part of the project design, or included in the procedures of project implementation.
- 3. Approve VTTM19032, subject to the attached Findings and Conditions of Approval.

NOTE: Per State Law, for any improvements required prior to the recordation of a final map, the developer may instead enter into an agreement with the County of Orange guaranteeing all required improvements. Said agreement shall be accompanied by financial security.

BACKGROUND AND EXISTING CONDITIONS:

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway at Antonio Parkway/La Pata Avenue, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community comprises 75 percent permanent open space and allows for the development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses in the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25- to 30-year period.

The Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were originally approved on February 25, 2015 by the Planning Commission (PA140072-PA140081) and revised administratively on May 22, 2017 (PA150047). On September 11, 2019, the Planning Commission approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) which reflect

the applicant's plan to develop Planning Area 3 in smaller phases. Final Tract Map 17931 for Subarea 3.1 was approved on December 8, 2020 by the County of Orange Board of Supervisors and was recorded on December 18, 2020. Currently, Subarea 3.1 is being graded under issued permit GRD19-0175 and supporting infrastructure (streets and storm Drains, etc.) is in various stages of construction.

Proposed Project

The applicant, Rancho Mission Viejo, requests approval of "B" Vesting Tentative Tract Map 19032 (VTTM 19032) to subdivide a 10.75-acre site within Subarea 3.1 of the Ranch Plan Planned Community into 4 legal lots: 2 numbered lots for a Senior Living Facility and 2 lettered lots for landscaping. This VTTM is one of multiple "B" maps proposed in Planning Area 3, Subarea 3.2a of the Ranch Plan. Further discussion is provided in the Discussion/Analysis section.

SURROUNDING LAND USE:

Land uses immediately surrounding the project site include the following:

- North: Saddle Way, Future Subarea
 3.2b development
- South: Cow Camp Road
- East: Horton Way, Future Subarea
 3.3 development
- West: Amanda Lane, Future Tract 19031 – Meritage multi-family homes

Please refer to The Ranch Plan General Vicinity Map, Exhibit 1, and the PA 3.1 Builder Map, Exhibit 2.

Exhibit 1 - General Vicinity Map

Exhibit 2 – PA 3.2a Builder Map

DISCUSSION/ANALYSIS:

General Description

The proposed "B" VTTM 19032 is a subdivision of a 10.75-acre site within Subarea 3.1 of the Ranch Plan Planned Community into 4 legal lots: 2 numbered lots for a Senior Living Facility and 2 lettered lots for landscaping with pedestrian and vehicular access to the tract provided via Amanda Lane and Merrill Gardens Way. The tract map has been designed for the development of a 608,000 square foot Senior Living Facility with associated usable open space areas, parking, and landscaping. Lot 1 will include two multi-family buildings, a health care facility, and a community recreation building. Lot 2 will include seven independent living rental cottages. Lettered Lots A and B are designated for landscaping along Horton Way.

Consistency Analysis:

Proposed "B" VTTM 19032 is consistent with:

- a. State of California Subdivision Map Act and County of Orange Subdivision Code and Manual.
- b. General Plan, Land Use Element: 6 Urban Activity Center. The proposed map is consistent with the 6 Urban Activity Center designation.
- c. Zoning: Planned Community. The proposed map is in conformance with the County of Orange Planned Community District regulations as regulated by the Ranch Plan Planned Community Program Text, statistical summary, and development maps.
- d. Area Plans. The proposed map is consistent with the PA3 Master Area Plan, Subarea Plan 3.1, and the PA3 Master Area and Subarea Plan Amendments (PA180030).
- e. CEQA: The proposed map is consistent with Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24,

2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1 approved February 25, 2015.

- f. Alternative Development Standards: All previously approved Alternative Development Standards that will be incorporated into the development are listed on the cover page of proposed VTTM 19032.
- g. Regulation Compliance Matrix: Clearance of all applicable conditions of approval have been confirmed per the Ranch Plan Regulation Compliance Matrix.

Estimated Earthwork

The estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e. Master Area Plan (PA3), Subarea Plan 3.1, Tract 17931) and related grading permit GRD19-0175. The proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendum 3.1.

Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan (ROMP) Area. A Master Plan of Drainage (MPD) consistent with the PA3 and 4 ROMP has been established for the project site (Subarea 3.2a). VTTM 19032 is consistent with this MPD. No MPD fees are required.

Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or the County Bikeway Plan.

- Master Plan of Regional Recreation Facilities There are no regional park dedication requirements applicable to the subject map.
- Master Plan of Regional Riding and Hiking Trails There are no riding and hiking trail requirements applicable to the subject map.
- Master Plan of Local Parks (Local Park Code) The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code). The Local Park Code requirement for the subject map VTTM 19032 is 1.79 net usable acres of park land based upon a proposal to build 299 multi-family dwelling units at a gross residential density of 27.81 du/ac (299 du x .006 ac/du). Said requirement can be satisfied by an allocation of parkland credit from Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan Planned Community originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, and 3rd Amendment approved on November 20, 2019.

Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. The Ranch Plan LPIP (PM07-01) indicates that 85 acres of creditable parkland are anticipated in Planning Areas 3 and 4. Specifically, for Subarea 3.1 the Ranch Plan LPIP indicates there is no public parkland dedication required. Therefore, there are no parkland requirements applicable to the subject map.

- Resources Element Open Space Component There are no open space dedication requirements applicable to the subject map.
- County Bikeway Plan There are no bikeways identified within this map.

Public Services & Utilities

- Schools This property is within the boundaries of the Capistrano Unified School District. The developer is subject to the provisions of Assembly Bill AB 2926, or other mitigating measures designed to provide for school facilities and/or funding, such as community facilities districts, as outlined by Mitigation Measure 4.15-5 of FEIR 589.
- Facilities Fees Programs This project area is included within the Ranch Plan Planned Community Development Facility Agreement area which phases development commensurate with public services and facilities.
- Water/Sewer This project is within the boundaries of the Santa Margarita Water District ("District"). The District stated in their Preliminary Water Sewer Letter dated March 18, 2022 that the District can and will provide water and sewage disposal service to this development.
- Water Quality Control This project will be required to operate in accordance with requirements prescribed by the California Regional Water Quality Control Board, San Diego Region, as outlined by Standard Conditions 4.5-3 thru 4.5-11 of FEIR 589.
- Fire Protection and Safety Existing and proposed fire protection services are capable of providing an adequate level of fire protection services to this development. This property is within the area covered by the Ranch Plan Fire Protection Program (RPFPP) and a project specific Fire Master Plan (SR# 286422) has been approved in compliance with all applicable regulations.
- County Service Area (CSA) This property is within the boundaries of County Service Area No. 26.

Traffic/Circulation

- Scenic Highway Corridors There are no Scenic Highways applicable to this map.
- Access/Highways/Streets/Roads Access to the site is provided via Amanda Lane and Merrill Gardens Way.
- Major Thoroughfare and Bridge Fee Program This project lies within the area of benefit of the Foothill/Eastern Transportation Corridor. The developer is required to pay Foothill/Eastern Major Thoroughfare and Bridge fees in accordance with the adopted program.
- Off-Site Fee Program The project lies within the area of benefit of the South County Roadway Improvement Road Fee Program (SCRIP). The developer is required to pay SCRIP fees in accordance with the adopted program.

Fire Master Plan

The applicant has provided a copy of the Orange County Fire Authority (OCFA) Fire Master Plan, Service Request (SR) number 286422, approved on September 8, 2021. OCFA has reviewed the proposed project and has concurred with the proposal. OCFA and OC Development Services/Land Development will continue to coordinate necessary plan check reviews during the permitting and construction process to ensure establishment of VTTM 19032 in compliance with associated fire safety and fire protection requirements.

ALTERNATIVE DEVELOPMENT STANDARDS:

As allowed by General Regulation #25 of the Ranch Plan Planned Community Program Text, proposed Alternative Development Standards are intended to be incorporated into the development as listed within the "Notes" portion of the cover page of VTTM 19032. The following approved Ranch PC Alternative Development Standards (approved September 26, 2018) are proposed as part of VTTM 19032:

- A-36a Modified 0" Curb on Private Streets
- B-2 Intersection Sight Line Standards
- B-9 Modified Color of Curb Ramp Detectable Warning Surface
- D-3a Reduced "Senior Citizen" Parking
- D-6 Multiple Family Dwellings Minimum Distance Between Buildings
- D-10 Bedroom Definition to Determine Parking Requirements
- G-3a Private Alley Drive Allowing Emergency Vehicle Access
- G-6 Grated Inlets Catch Basins on Private streets
- G-7 Reduced Local Depressions on Private Streets
- G-9 Rolled Curb on Private Streets
- G-12 Modified Curb Ramp (Type 5)

REFERRAL FOR COMMENT AND PUBLIC NOTICE:

Copies of the tentative map application submittal package were distributed for review and comment to County staff and consultants, including Land Development, Traffic & Development Support, Inspection Services, Operations & Maintenance, Building & Safety, OC Survey, and the Orange County Fire Authority. Through a collaborative effort with County staff, the applicant adequately addressed all comments. As of the writing of this staff report, no further comments have been received by any County divisions.

A Notice of Public Meeting was mailed to all property owners of record within 300 feet of the subject site on May 6, 2022. Additionally, notices were posted at the site, at the Orange County Hall of Administration, and at the County Administration South (CAS) Building, as required by established public meeting posting procedures. No public comments have been received to date.

CEQA COMPLIANCE:

The proposed project is covered by previous CEQA documentation, which includes Final Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1, approved February 25, 2015. This finding is appropriate and complies with the intent of CEQA, pursuant to the Orange County 2020 Local CEQA Procedures Manual, Section 13.1 for projects where a previous environmental document (i.e. Program EIR 589) is already in place. Further CEQA evaluation and clearances are not required for proposed "B" VTTM 19032.

CONCLUSION:

Based upon the review of the subject submittal, staff supports approval of the applicant's proposed Vesting Tentative Tract Map 19032 pursuant to the Orange County Subdivision Code, Orange County Codified Ordinances (OCCO), Subarticle 5 (Processing Procedures for Tentative Maps).

Submitted by:

APPENDIX A

Appendix A Findings VTTM 19032

1 EIR AND ADDENDUM VTTM 19032

That the decision-maker has considered Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 2006; Addendum 1.1 (PA110002-PA110006) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-PA130004 and PA130006) approved on March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015 prior to project approval. The addendums are approved for the proposed project based upon the following findings:

- a. Together, these documents are adequate to satisfy the requirements of CEQA by the decision-maker;
- b. The additions, clarifications and/or changes to the original document caused by the Addendums, do not raise new significant issues which were not addressed by the EIR and none of the conditions described in CEQA Guidelines Section 15162 applies; and
- c. The consideration of the EIR and approval of the Addendums for the proposed project reflect the independent judgment of the Lead Agency.

2 ENVIRONMENTAL MONITORING VTTM 19032

That the monitoring requirements of Public Resources Code Section 21081.6 (AB 3180) will be considered as having been met in that the design of the subject project, the satisfaction of the requirements of the County's building, grading, fire, and other codes and ordinances and the satisfaction of the conditions of approval applied to the project will implement the mitigation measures contained in EIR No. 589, Addendum 1 (PA06-0023), Addendum 1.1 (PA110003-0006), the Planning Area 2 Addendum (PA130001-0004 and PA130006), and Addendum 3.1 (PA140072-81).

3 GENERAL PLAN CONSISTENCY VTTM 19032

That the proposed map is consistent with the Orange County General Plan.

4 DESIGN & IMPROVEMENT VTTM 19032

That the design and improvement of the proposed subdivision are consistent with the Orange County General Plan.

5 **DEVELOPMENT TYPE VTTM 19032**

That the proposed site is physically suitable for the proposed type of development.

6 DEVELOPMENT DENSITY VTTM 1903:

That the proposed site is physically suitable for the proposed density of development.

Z ENVIRONMENTAL DAMAGE VTTM 19032

That the design of the subdivision or the proposed improvements are not likely to cause substantial environmental damage or substantial and avoidable injury to fish or wildlife or their habitat.

8 PUBLIC HEALTH VTTM 19032

That the design of the subdivision and the type of improvements proposed are not likely to cause serious public health problems.

9 PUBLIC EASEMENTS VTTM 19032

That the design of the subdivision and the type of improvements proposed will not conflict with easements of record or established by court judgment acquired by the public-at-large for access through or use of property within the proposed subdivision.

10 SUBDIVISION / ZONING CODE CONSISTENCY VTTM 19032

That the proposed subdivision complies with the requirements set forth in the Orange County Subdivision Code and the Orange County Zoning Code.

11 ZONING CONSISTENCY VTTM 19032

That the design and improvement of the proposed subdivision are suitable for the uses proposed, and the subdivision can be developed in compliance with applicable zoning regulations pursuant to Section 7-9-254 of the Subdivision Code.

12 SEWER SYSTEM VTTM 19032

That the discharge of waste from the proposed subdivision into the existing sewer system of the Water District will not result in violations of existing requirements prescribed by the California Regional Water Quality Control Board, San Diego Region.

13 NATURAL HEATING AND COOLING VTTM 19032

That the design of the subdivision and its improvements do provide, to the extent feasible, for future passive or natural heating or cooling opportunities as specified in Section 66473.1 of the Government Code (Subdivision Map Act).

14 FEE PROGRAMS VTTM 19032

protection, paramedic, law enforcement, library, and general County services.

That the following determinations apply to fees required by Sections 7-9-700 through 713, Codified Ordinances of Orange County: A. Purpose of fees: Fire

- B. Use of fees: Construction of new fire station, sheriff substation, library, and general County facilities in newly developing areas which have inadequate service.
- C. Relationship between use of fees and type of development: Dwelling units and commercial/industrial structures and their occupants require fire protection, paramedic, law enforcement, library, and general County services.
- D. Relationship between need for facilities and type of project: Project is located in newly developing area which has inadequate fire protection, paramedic, library services, and sheriff substation and general County facilities.
- E. Relationship between amount of fees and cost of the portion of the facilities attributable to the development: Fees represent project's pro rata share of the cost of the fire station, sheriff substation, library, and general County facilities.

15 EXPIRATION OF MAPS VTTM 19032

That because of participation in fee programs for off-site improvements, this project will qualify for consideration under Section 66452.6 of the Subdivision Map Act.

16 LOCAL PARK CODE VTTM 19032

That the Local Park Code requirement can be met by an allocation of park lands credit from PM 07-01, the park implementation plan for the Ranch Plan Planned Community.

17 **DEVELOPMENT AGREEMENT VTTM 19032**

That the Development Agreement contains provisions requiring developer participation in fee programs, facility construction and development phasing and is therefore in compliance with the adopted Growth Management Element in terms of public services and facilities being made available to accommodate development.

18 APPEAL OF EXACTIONS VTTM 19032

That the applicant is hereby provided notice that the fees, dedications, reservations or other exactions imposed on this project are as described in this approval as well as the reports and actions accompanying this approval and that the 90-day approval period in which the applicant may protest pursuant to Government Code Section 66020 has begun.

WATER QUALITY MANAGEMENT PLAN VTTM 19032

Prior to the issuance of any grading or building permits, the applicant shall submit for review and approval by the Manager, Permit Services, a Water Quality Management Plan (WQMP) specifically identifying Best Management Practices (BMPs) that will be used onsite to control predictable pollutant runoff. The applicant shall utilize the Orange County Drainage Area Management Plan (DAMP), Model WQMP, and Technical Guidance Manual for reference, and the County's WQMP template for submittal. This WQMP shall include the following:

- Detailed site and project description
- Potential stormwater pollutants
- Post-development drainage characteristics
- Low Impact Development (LID) BMP selection and analysis
- Structural and Non-Structural source control BMPs
- Site design and drainage plan (BMP Exhibit)
- GIS coordinates for all LID and Treatment Control BMPs
- Operation and Maintenance (O&M) Plan that (1) describes the long-term operation and maintenance requirements for BMPs identified in the BMP Exhibit; (2) identifies the entity that will be responsible for long-term operation and maintenance of the referenced BMPs; and (3) describes the mechanism for funding the long-term operation and maintenance of the referenced BMPs

The BMP Exhibit from the approved WQMP shall be included as a sheet in all plan sets submitted for plan check and all BMPs shall be depicted on these plans. Grading and building plans must be consistent with the approved BMP exhibit.

BEST MANAGEMENT PRACTICES VTTM 19032

Prior to issuance of a building permit, the off-site regional Best Management Practices (BMPs) relied upon by this project (e.g., basins, swales, etc.) must be built and/or installed, and operational. The location and operation of these regional BMPs must be in compliance with the Final Project-Specific WQMP for the regional BMP(s). The location and operation of the regional BMP(s) must be demonstrated to the satisfaction of the Manager, Grading and Building Plan Check.

COMPLIANCE WITH THE NPDES IMPLEMENTATION PROGRAM VTTM 19032

Prior to the issuance of a certificate of use and occupancy, the applicant shall demonstrate compliance with the County's NPDES Implementation Program in a manner meeting the satisfaction of the Manager, OC Inspection, including:

- Demonstrate that all structural Best Management Practices (BMPs) described in the BMP Exhibit from the project's approved WQMP have been implemented, constructed and installed in conformance with approved plans and specifications
- Demonstrate that the applicant has complied with all non-structural BMPs described in the project's WQMP
- Submit for review and approval an Operations and Maintenance (O&M) Plan for all structural BMPs (the O&M Plan shall become an attachment to the WOMP:
- Demonstrate that copies of the project's approved WQMP (with attached O&M Plan) are available for each of the initial occupants;
- Agree to pay for a Special Investigation from the County of Orange for a date twelve (12) months after the issuance of a Certificate of Use and Occupancy for the project to verify compliance with the approved WQMP and O&M Plan
- Demonstrate that the applicant has RECORDED one of the following:
- 1. The CC&R's (that must include the approved WQMP and O&M Plan) for the project's Homeowner's Association;
- 2. A water quality implementation agreement that has the approved WQMP and O&M Plan attached; or
- 3. The final approved Water Quality Management Plan (WQMP) and Operations and Maintenance (O&M) Plan.

(Appendix C - Items 539, 539.1, 539.2)

INDEMNIFICATION VTTM 19032

Applicant shall defend with counsel approved by the County of Orange in writing, indemnify and hold harmless the County of Orange, its officers, agents and employees from any claim, action or proceeding against the County, its officers, agents or employees to attack, set aside, void, or annul any approval of the application or related decision, or the adoption of any environmental documents, findings or other environmental determination, by the County of Orange, its Board of Supervisors, Planning Commission, Zoning Administrator, Director of OC Public Works, or Director of Planning concerning this application. The County may, at its sole discretion, participate in the defense of any action, but such participation shall not relieve applicant of his/her obligations under this condition. Applicant shall reimburse the County for any court costs and attorney's fees that the County may be required to pay as a result of such action. The County shall promptly notify the applicant of any such claim, action or proceeding.

BUYER NOTIFICATION MAP VTTM 19032

Prior to the issuance of any building permits for residential construction, the developer RMV Community Development, LLC, shall prepare a map denoting the existing and proposed land uses, arterial highways, and public facilities within the surrounding area for the approval of the Manager, OC Planning. The map content, display, and distribution shall be in accordance with the Buyer Notification Program guidelines listed in Board of Supervisors Resolution 82-1368 and as amended

SUBJECT:

Application for "B" Vesting Tentative Tract Maps 19032 within Rancho Mission Viejo (Ranch Plan) Planning Area 3, Subarea 3.1 for a Senior Livning Facility

Dear Ms. Jiménez,

PROPOSAL:

Rancho Mission Viejo requests Subdivision Committee approval of Vesting Tentative Tract Map 19032 to allow a four lot Senior Living Facility 10.75-acre site in Rancho Mission Viejo (Ranch Plan) Planning Area 3, Subarea 3.1. Site Development Permit PA200056 is being processed concurrently.

ZONING:

Ranch Plan Planned Community Program Text Section III.A.5.1.3)c) Senior Living Facility and III.D Urban Activity Center.

LOCATION:

The Merrill Gardens VTTM19032 project site is located in unincorporated Orange County, California within Tract 17931, Lots 71, 94, Y1, Y2, and Y3 which is between Amanda Lane to the west and Horton Way to the east, between Cow Camp Road on the south and Saddle Way on the north.

LANDOWNER/SUBDIVIDER:

The current land ownership entity for the proposed project site is RMV PA3 Development, LLC (referred to as Rancho Mission Viejo, or "RMV"). Eventual ownership will be a Joint Venture between RMV and Pillar Properties.

BACKGROUND AND EXISTING CONDITIONS:

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community encompasses 75 percent permanent open space, with development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses allowed within the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the

Ms. Bea Bea Jimenez VTTM 19032 Letter of Application December 17, 2020 Page 2 of 6

unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25- to 30-year period.

In February 2009, the Ranch Plan Planned Community Program Text (Zoning Document) was revised to reflect new State definitions for Senior Living Facilities as amended into the County Zoning Code in November 2008. These definitions provided greater clarity for the contemplated CCRC use and are referenced in the subsequently revised Master and Subarea Plan actions below as well as revisions to the Ranch Plan Planned Community Program Text (zoning).

The Master Area Plan and Subarea Plans for Planning Area 3 were approved on September 11, 2019 including Subarea Plan 3.1 (PA180030). VTTM 17931 for Subarea Plan 3.1 was approved by the Subdivision Committee on November 20, 2019 and Final Tract Map 17931 was approved by the Board of Supervisors December 8, 2020 and recorded December ##, 2020. Currently, Subarea 3.1 is currently being graded per Grading Permit GRD 19-0175.

PROPOSED PROJECT:

The applicants, RMV and Pillar Properties, request Subdivision Committee approval of Vesting Tentative Tract Map 19032 to allow a four lot Senior Living Facility 10.75-acre site in Rancho Mission Viejo (Ranch Plan) Planning Area 3, Subarea 3.1. Site Development Permit PA200056 is being processed concurrently.

SURROUNDING LAND USE:

Land uses immediately surrounding the project site include the following:

- Northerly: Park uses and future residential uses.
- Easterly: Future residential uses (Subarea 3.2)
- Southerly: Cow Camp Road and future non-residential uses
- Westerly: Future residential uses (Subarea 3.1, Meritage MR16)

REFERRAL FOR COMMENT AND PUBLIC NOTICE:

The applicant understands that the tentative map application submittal will be distributed for review and comment to County staff and consultants, including Land Development, OC Infrastructure Programs, Inspection Services, Building & Safety OC Survey, and Orange County Fire Authority. We also understand that the VTTM must be approved by the OC Subdivision Committee at a Public Meeting with a public notice mailed to all property owners of record within 300 feet of the subject, and posted at the site, at the Orange County Hall of Administration, and at 601 N. Ross Street, as required by established public meeting posting procedures.

CEQA COMPLIANCE:

Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 26, 2006; Addendum 1.1 (PA110003-06) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015. Further CEQA evaluation and clearances are not required for this proposed SDP or VTTM.

CONSISTENCY ANALYSIS:

The proposed SDP and VTTM are consistent with the Ranch Plan PC Program Text Use Regulations & Development Standards (PC Program Text, Section III), as described below:

- a. General Plan The OC General Plan Land Use Element designates Subarea 3.1 of Ranch Plan as "1B, Suburban Residential (0.5 to 18 du/ac)", per GPA 01-01. The proposed SDP and VTTM are consistent with the 1B "Suburban Residential designation.
- b. Zoning The proposed SDP and VTTM are consistent with the Ranch Plan Planned Community zoning, including all applicable requirements of the PC Program Text Use Regulations & Development Standards (PC Section III.D.1.a.2.ee) Urban Activity Center), including building height in excess of 40 feet, per Zoning Administrator approval.

The proposed project is also compatible with Orange County Zoning Code Section 7-9-142 (b) Senior Living Facilities, which is an allowed use within Section III.D: "A Senior Living facility may be permitted in any ... planned community ... area zoned for multifamily residential or commercial uses ... by an administrative site development permit in accordance with the base district regulations. Development standards shall be per the base district, unless the approving authority finds that a modified development standard will result in an equivalent or better project in terms of adverse impacts and public benefits to the immediate and surrounding community. Each Senior Living facility use permit or site development permit application shall be reviewed on a case-by-case basis and shall:

- (1) Demonstrate compatibility with adjacent development;
- (2) Provide a parking study that will be used to determine if a modification to the base district parking standards will be necessary to accommodate the anticipated traffic generation and on-site parking demand of the residents, staff, employees and guests of the type and size of facility proposed; and
- (3) Provide the location of all services (including the dining hall, commercial kitchen, gift shop, salon, fitness center, meeting rooms, etc.) and how they are to be accessed by residents and non-residents, including deliveries, and including Universal Design features in compliance with the Americans with Disabilities Act (ADA)."
- c. State Subdivision Map Act and County of Orange Subdivision Code and Manual In Compliance.
- d. Area Plans The proposed SDP and VTTM are consistent with land uses and other details of PA3&4 Master Area Plan and Subarea Plan 3.1 (PA190030, approved by the OC Planning Commission on September 11, 2019).
 - a. Specifically, Page 5 of Subarea Area Plan 3.1 (PA180030) approved: "Up to 120,000 square feet of Senior Living Facility uses, as allowed by Section III.A.5.a.3)c) (Senior Housing Principal Permitted Uses) of the Ranch Plan Planned Community Program Text. Units compliant with Section III.A.5.a.3)c) (Senior Housing) would not count as dwelling units with respect to the Ranch Plan PC limit of 14,000 total allowed dwelling units. For the purpose of traffic impact analysis, a maximum of 480 facility units are assumed. The precise mix of nursing care beds, assisted living, and independent living would be determined when a specific project is proposed and would be evaluated as part of the site development permit process."
 - b. The 126,000 square-foot Building 1 contains 119,120 square feet of care facilities, including 100 assisted living apartments and 24 memory care apartments, as well as all the facilities dedicated to the needs of the care facility residents. Therefore, only this portion of the East Building should be counted as "medical" non-residential square footage, and therefore the project does not

Ms. Bea Bea Jimenez VTTM 19032 Letter of Application December 17, 2020 Page 4 of 6

exceed the 120,000 square feet of non-residential use per the approved Planning Subarea 3.1 Subarea plan, Table 2.

- e. CEQA The proposed SDP and VTTM are consistent with Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 26, 2006; Addendum 1.1 (PA110003-06) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015.
- f. Alternative Development Standards All Alternative Development Standards incorporated into this project have been previously approved by the appropriate decision maker per the Ranch Plan Planned Community Program Text, General Regulation 25.
- g. Regulation Compliance Matrix Clearance of all applicable conditions of approval have been confirmed per the Ranch Plan Regulation Compliance Matrix.

Estimated Earthwork

The proposed estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e. Master Area Plan (PA3&4), Subarea Plan 3.1, VTTM 17931. Subarea 3.1 is currently being graded per issued Grading Permit GRD19-0175. Proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendum 3.1 (PA140072-81) approved February 25, 2015.

Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan Area. No Master Plan of Drainage (MPD) facilities have been identified or approved within the site and no MPD fees are required.

Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or OCTA Strategic Plan for Bikeways.

- Master Plan of Regional Recreation Facilities There are no regional park dedication requirements of the subject map.
- Master Plan of Regional Riding and Hiking Trails There are no riding and hiking trail requirements of the subject map.
- Master Plan of Local Parks (Local Park Code) The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code). The Local Park Code requirement for the subject map VTTM 19032 is 1.64 net usable acres of park land based upon a proposal to build 273 Senior Living Facility dwelling units at a gross residential density of 30 du/ac (273 du x .006 ac/du). Said requirement can be satisfied by an allocation of parkland credit from Park Modification PM19-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan P.C. originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, and 3rd Amendment approved 11/20/19. Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. The Ranch Plan LPIP indicates 38 acres of the 94-acre total parkland will be implemented in Planning Area 3&4, based on the 7,500 dwelling units entitled by the PA3&4 Master Area Plan PA180030, per the parkland generation factor for each unit (greater than 6.5 du/ac requires 0.006 acres and less than 6.5 du/ac

Ms. Bea Bea Jimenez VTTM 19032 Letter of Application December 17, 2020 Page 5 of 6

- requires 0.008 acres). Rancho Mission Viejo's Final Tract Map 17931 for Subarea 3.1, will include 6.6 acres of recreation facilities (Ranch Camp).
- Resources Element Open Space Component There are no open space dedication requirements of the subject map.
- OCTA Strategic Plan for Bikeways There are no County-wide bikeways identified within the area of this map.

Public Services & Utilities

- Schools This property is within the boundaries of the Capistrano Unified School District.
 The developer is subject to the provisions of Assembly Bill AB 2926, or other mitigating
 measures designed to provide for school facilities and/or funding, such as community
 facilities districts. No school facilities are proposed within Subarea 3.1.
- Facilities Fees Programs This project area is included within the Ranch Plan Planned Community Development Facility Agreement area which phases development commensurate with public services and facilities.
- Water/Sewer This project is within the boundaries of the Santa Margarita Water District. The District stated in their "will-serve" letter dated ##/##/2020, that the District will be capable of providing water and sewage disposal service to this development.
- Water Quality Control This project will be required to operate in accordance with requirements prescribed by the California Regional Water Quality Control Board, San Diego Region.
- Fire Protection and Safety Existing and proposed fire protection services will be
 providing an adequate level of fire protection services to this development, per the
 TT19032 Fire Master Plan approved by OCFA ##/##/2020. Additionally, this property is
 within the area covered by the approved Ranch Plan Fire Protection Program, which
 includes all applicable conditions of approval and regulations.
- County Service Area (CSA) This property is within the boundaries of County Service Area No. 26.

Traffic/Circulation

- Scenic Highway Corridors There are no Scenic Highways applicable to this map
- Access/Highways/Streets/Roads Access to the site is via public Streets Horton Way and Amenda Lane. Internal tract access will be provided by Merrill Gardens Way (private).
- Major Thoroughfare and Bridge Fee Program This project lies within the area of benefit of the Foothill/Eastern Transportation Corridor. The developer is required to pay Foothill/Eastern Major Thoroughfare and Bridge fees in accordance with the adopted program.
- Off-Site Fee Program The project lies within the area of benefit of the South County Roadway Improvement Road Fee Program (SCRIP). The developer is required to pay SCRIP fees in accordance with the adopted program.

Multiple Final Map Phasing

As indicated in the notes for TT19032, the option of multiple final maps phasing has been requested as part of the approval of this Vesting Tentative Tract Map.

DEVIATIONS FROM STANDARDS OF DESIGN:

The developer may request deviations from County standard design criteria in accordance with Subdivision Code section 7-9-291. In the absence of any specifically approved deviation

Ms. Bea Bea Jimenez VTTM 19032 Letter of Application December 17, 2020 Page 6 of 6

request, the County-approved standard design criteria will prevail. No deviations are requested with this map.

ALTERNATIVE DEVELOPMENT STANDARDS:

As indicated in the notes for TT19032, as allowed by General Regulation #25 of the Ranch Plan Planned Community Program Text, proposed Alternative Development Standards are intended to be incorporated into the development.

Upon review of this application our hope is that staff supports OC Subdivision Committee approval of the "B" tentative tract map. Please contact me with any questions, or if you or your staff need any further information.

Sincerely,

Jay Bullock

Subject: Preliminary Water and Sewer Letter for Rancho Mission Viejo, VTTM 19032,

Rancho Mission Viejo, in Improvement District No. 5

Greetings:

This letter is in response to a request by Pillar Properties (Developer) for a preliminary water and sewer letter for the subject tract.

The Santa Margarita Water District (District) supplies all of its current customers with domestic water purchased from the Metropolitan Water District of Southern California (Metropolitan) through the Municipal Water District of Orange County (MWDOC), which acts as a wholesaler to its member agencies. It is anticipated the subject tract would also be supplied with available domestic water purchased from Metropolitan through MWDOC. Supplemental water for this development, if required, will be provided per the approved The Ranch Planning Area 3 and 4 Water Supply Verification, dated October 2017. Subject to the Developer's successful completion of the in-tract water and recycled water and the District's construction of the off-site water and recycled water facilities, the District can and will provide domestic and recycled water service to each and every building parcel in the subject tract without exception.

Furthermore, and subject to the Developer's successful completion of the in-tract sewer facilities and the District's construction of off-site sewer facilities, the District can and will provide sewer service to each and every building lot within the subject tract without exception.

At this time, the Developer has not provided surety to guarantee the construction of the in-tract water, recycled water and sewer facilities. A final will-serve will be issued upon your request when (1) the Developer has guaranteed the construction of the in-tract facilities and (2) construction of the District's water and sewer facilities is assured.

Should you have any questions or desire additional information, please call Karla Houlihan at (949) 459-6581.

Sincerely,

SANTA MARGARITA WATER DISTRICT
