PRELIMINARY PLAN

CLIENT VISION

Clients desire to have a usable property in which they can entertain, as well as decrease the slope of the arduous and costly task of maintaining hedges on the steep 1/2:1 slopes of the property.

DESIGN OBJECTIVE

1. Replace small deck in the back yard with a large outdoor living space that allows for
 - a) Large portable barbecue with adjacent bar seating
 - b) Dining area for table of at least eight (8) chairs
 - c) Conversation seating area with a fire table
 - d) Built in jettied spa overlooking the canyon views with a sunning area
 - e) Eliminate need for continuous deck maintenance.
2. Create a flat area for an orchard of fruiting trees and vegetable garden plots
 - a) a putting green
 - b) ability to play table tennis set
 - c) ability to play a variety of games such as corn hole, ladders, portable horse shoes
3. Design the side yard into a flexible space in which teens can gather and be entertained
 - a) a putting green
 - b) ability to play table tennis set
 - c) ability to play a variety of games such as corn hole, ladders, portable horse shoes
