BACKGROUND AND EXISTING CONDITIONS:

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway at Antonio Parkway/La Pata Avenue, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community comprises 75 percent permanent open space and allows for the development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses in the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25- to 30-year period.

The Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were originally approved on February 25, 2015, by the Planning Commission (PA140072-PA140081) and revised administratively on May 22, 2017 (PA150047). On September 11, 2019, the Planning Commission approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) which reflect the applicant's plan to develop Planning Area 3 in smaller phases. TR17933 was approved by the Orange County Board of Supervisors on June 25, 2024. Subarea 3.4 was mass graded per permit GRD22-0016.

Proposed Project

The applicant, Rancho Mission Viejo, requests approval of "B" Vesting Tentative Tract Map 19309 (VTTM 19309) to subdivide a 15.04-acre site within Planning Area 3.4 of the Ranch Plan Planned Community into 83 numbered lots for conventional single-family detached dwellings and 1 private park, and 53 lettered lots for slope/open space areas and 6 private motor courts. This VTTM is one of multiple "B" maps being proposed in Planning Area 3, Subarea 3.4 of the Ranch Plan. Final Map 17933 established the boundaries of these "B" maps (Exhibit 2 page 4). Further discussion is provided in the Discussion/Analysis section.

SURROUNDING LAND USE:

Land uses immediately surrounding the project site include the following:

- North: Future Residential Tract 19306, Gavilan Ridge.
- East: Future Residential Tract 19308, Coyotes.
- West: Future Residential Recreation Area, Legado Road.
- South: Future Residential Tracts 19302, Lampkin Lane.

Please refer to General Vicinity Map (below) and the Project Site Map (following page).

General Description

The proposed "B" VTTM 19309 is a subdivision of a 15.04-acre site within Planning Area 3.4 of the Ranch Plan Planned Community into 83 numbered lots for conventional single-family detached dwellings and 1 private park, and 53 lettered lots for slope/open space areas and 6 private motor courts with general access to the tract provided from Hawk Street via Gavilan Ridge. A model complex is proposed for Lots 55-58. The tract map has been designed to create individual conventional single-family detached residential lots. In addition to Hawk Street, access is provided via in-tract public street Corkscrew Road, and 6 private motor courts. The private motor courts providing access to the individual units have been designated as Lot A-F. Lettered Lots G through AAA have been designated for slope/open space.

Consistency Analysis:

Proposed "B" VTTM 19309 is consistent with:

- a. State Subdivision Map Act and County of Orange Subdivision Code and Manual.
- b. General Plan, Land Use Element: 6 Urban Activity Center. The proposed map is consistent with the 6 Urban Activity Center designation.
- c. Zoning: Planned Community. The proposed map is in conformance with the County of Orange Planned Community District regulations as regulated by the Ranch Plan Planned Community Text, statistical summary, and development maps.
- d. Area Plans. The proposed map is consistent with the PA3 Master Area Plan, Subarea Plan 3.4, and the PA3 & 4 Master Area and Subarea Plan Amendment and Addendum (PA180030).
- e. CEQA: The proposed map is consistent with Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24,

2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1 approved on February 25, 2015.

- f. Alternative Development Standards: All previously approved Alternative Development Standards that are to be incorporated into the development of Subarea 3.4 are listed within the Note #30 on the cover page of proposed VTTM 19309.
- g. Regulation Compliance Matrix: Clearance of all applicable conditions of approval have been confirmed per the Ranch Plan Regulation Compliance Matrix.

Estimated Earthwork

The proposed estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e., Master Area Plan (PA3), Subarea Plan 3.4, Tract 17933, and related grading permits (GRD22-0016 and GRD22-0136). The proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendum 3.1.

Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan (ROMP) Area. A Master Plan of Drainage (MPD) consistent with the PA 3 and 4 ROMP has been established for the project site (Subarea 3.4). VTTM 19309 is consistent with this MPD, however no MPD fees are required.

Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or OCTA Strategic Plan for Bikeways.

- Master Plan of Regional Recreation Facilities There are no regional park dedication requirements of the subject map.
- Master Plan of Regional Riding and Hiking Trails There are no riding and hiking trail requirements of the subject map.
- Master Plan of Local Parks (Local Park Code) The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code). The Local Park Code requirement for the subject map VTTM 19309 is 0.44 net usable acres of park land based upon a proposal to build 82 dwelling units at a gross residential density of 5.45du/ac (82du/15.04ac). Said requirement can be satisfied by an allocation of parkland credit from Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan P.C. originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, 3rd Amendment approved November 7, 2019 and 4th Amendment approved December 6, 2023.

Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94.0 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. The Ranch Plan LPIP (PM07-01) indicates that far more acres of total community-wide parkland will be implemented in Planning Areas 3 & 4 than would be required per County standards, based on the 7,500 dwelling units entitled by the PA 3 & 4 Master Area Plan PA180030, per the parkland generation factor for each unit (greater than 6.5

du/ac requires 0.006 acres and less than 6.5 du/ac requires 0.008 acres). Rancho Mission Viejo's Final Tract Map 17933 for Subarea 3.4 will include 10.52 acres of public parkland.

- Resources Element Open Space Component There are no open space dedication requirements applicable to the subject map.
- OCTA Strategic Plan for Bikeways There are no County-wide bikeways identified within the area of this map.

SUBJECT:

Application for "B" Vesting Tentative Tract Map 19309 within Rancho Mission Viejo (Ranch Plan) Planning Area 3, Subarea 3.4 for the AQ42 Pulte project.

Dear Ms. Jiménez,

PROPOSAL:

Rancho Mission Viejo requests Subdivision Committee approval of Vesting Tentative Tract Map 19309 within Rancho Mission Viejo (Ranch Plan) Planning Area 3, Subarea 3.4 for the AQ42 project to allow 82 Conventional Single Family Detached Dwellings on 83 numbered residential / park lots and 53 lettered lots for open space/slopes, landscaping, and private courts.

ZONING:

Ranch Plan Planned Community (PC) – Subarea Plan 3.4 Conventional Single Family Detached Dwellings (PC Text Section III.A.1)

LOCATION:

The AQ42 project site is located within the Ranch Plan Planned Community - Planning Area 3 (PA3), Subarea 3.4 and Vesting Tentative Tract Map 17934, Lots 31-44, 62, and Lots Q-R in unincorporated Orange County, California.

LANDOWNER/SUBDIVIDER:

The specific land ownership entity for the proposed project site is RMV PA3 Development LLC (referred to as Rancho Mission Viejo, or "RMV"). The site will eventually be owned by, and homes built by Pulte.

BACKGROUND AND EXISTING CONDITIONS:

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community encompasses 75 percent permanent open space, with development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses allowed within the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the

unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25- to 30-year period.

The Master Area Plan and Subarea Plans for Planning Area 3 were approved on October 27, 2022 including Subarea Plan 3.3 (PA22-0067). VTTM 17933 for Subarea Plan 3.3 and VTTM 17934 for Subarea Plan 3.4 were approved by the OC Subdivision Committee on December 6, 2023. Grading for Subareas 3.3 and 3.4 are currently in progress under GRD22-0136 and GRD23-0059.

PROPOSED PROJECT:

The applicant (RMV) requests approval of Vesting Tentative Tract Map 19309 to allow 82 Conventional Single-Family Detached Dwellings on 83 numbered residential/park lots and 40 lettered lots for landscaped open space purposes, all within the 15.04-acre project site. Subsequent model sales complex and construction level building applications will be submitted by Pulte Group. The project will also include street and infrastructure improvements, landscaping, and minor precise grading.

The 83 numbered lots range in size from 4,675 4,397 square feet up to 7,8037,989 square feet. The site has a net residential acreage of 11.62 acres (excluding streets, motorcourts, alleys and HOA slopes) for a net residential density of 7.12 dwelling units per acre.

SURROUNDING LAND USE:

Land uses immediately surrounding the project site include the following:

- Westerly: Subarea 3.4 future residential
- Southerly: Subarea 3.3 future residential
- Easterly: Subarea 3.4 future residential
- Northerly: Subarea 3.4 future residential

REFERRAL FOR COMMENT AND PUBLIC NOTICE:

The applicant understands that the tentative map application submittal will be distributed for review and comment to County staff and consultants, including Land Development, OC Infrastructure Programs, Inspection Services, Building & Safety, OC Survey, and Orange County Fire Authority. We also understand that the VTTM must be approved by the OC Subdivision Committee at a Public Meeting with a public notice mailed to all property owners of record within 300 feet of the subject, and posted at the site, at the Orange County Hall of Administration, and at 601 N. Ross Street, as required by established public meeting posting procedures.

CONSISTENCY ANALYSIS:

The proposed SDP and VTTM are consistent with the Ranch Plan PC Program Text Use Regulations & Development Standards (PC Program Text, Section III), as described below:

- a. General Plan The OC General Plan Land Use Element designates Subarea 3.4 of Ranch Plan as "1B, Suburban Residential (0.5 to 18 du/ac)", per GPA 01-01. The proposed SDP and VTTM are consistent with the 1B "Suburban Residential designation.
- b. Zoning The proposed SDP and VTTM are consistent with the Ranch Plan Planned Community zoning, including all applicable requirements of the PC Program Text Use Regulations & Development Standards (PC Section III).
- c. State Subdivision Map Act and County of Orange Subdivision Code and Manual In Compliance.

- d. Area Plans The proposed SDP and VTTM are consistent with land uses and other details of PA3&4 Master Area Plan and Subarea Plan 3.4 (PA22-0067)
- e. CEQA The proposed SDP and VTTM are consistent with Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 26, 2006; Addendum 1.1 (PA110003-06) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015.
- f. Alternative Development Standards All Alternative Development Standards incorporated into this project have been previously approved by the appropriate decision maker per the Ranch Plan Planned Community Program Text, General Regulation 25.
- g. Regulation Compliance Matrix Clearance of all applicable conditions of approval have been confirmed per the Ranch Plan Regulation Compliance Matrix.

Estimated Earthwork

The proposed estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e. Master Area Plan (PA3&4), Subarea Plan 3.3, VTTM 17933, VTTM 17934, and Subarea 3.4 Rough Grading Permit GRD23-0059 currently in process. The proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendum 3.1 (PA140072-81) approved February 25, 2015.

Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan Area. No Master Plan of Drainage (MPD) facilities have been identified or approved within the site and no MPD fees are required.

Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or OCTA Strategic Plan for Bikeways.

- Master Plan of Regional Recreation Facilities There are no regional park dedication requirements of the subject map.
- Master Plan of Regional Riding and Hiking Trails There are no riding and hiking trail requirements of the subject map.
- Master Plan of Local Parks (Local Park Code) The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code). The Local Park Code requirement for the subject map VTTM 19309 is 0.492 net usable acres of park land based upon a proposal to build 82 dwelling units at a gross residential density of 15.04/ac (82 du x .006 ac/du). Said requirement can be satisfied by an allocation of parkland credit from Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan P.C. originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, 3nd Amendment approved November 7, 2019, and 4th Amendment approved December 6, 2023. Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94.0 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. The Ranch Plan LPIP (PM07-01) indicates that far more acres of total community-wide parkland will be implemented in Planning Area 3&4 than would be required per County standards, based on the 7,500 dwelling units entitled by the PA3&4 Master Area Plan PA180030, per the

- parkland generation factor for each unit (greater than 6.5 du/ac requires 0.006 acres and less than 6.5 du/ac requires 0.008 acres).
- Resources Element Open Space Component There are no open space dedication requirements of the subject map.
- OCTA Strategic Plan for Bikeways There are no County-wide bikeways identified within the area of this map.

Public Services & Utilities

- Schools This property is within the boundaries of the Capistrano Unified School District.
 The developer is subject to the provisions of Assembly Bill AB 2926, or other mitigating
 measures designed to provide for school facilities and/or funding, such as community
 facilities districts. No school site is proposed for Subarea 3.4.
- Facilities Fees Programs This project area is included within the Ranch Plan Planned Community Development Facility Agreement area which phases development commensurate with public services and facilities.
- Water/Sewer This project is within the boundaries of the Santa Margarita Water District. The District stated in their "will-serve" letter dated June 14, 2024, that the District will be capable of providing water and sewage disposal service to this development.
- Water Quality Control This project will be required to operate in accordance with requirements prescribed by the California Regional Water Quality Control Board, San Diego Region.
- Fire Protection and Safety Existing and proposed fire protection services will be
 providing an adequate level of fire protection services to this development, per the
 TT19305 Fire Master Plan approved by OCFA May 29, 2024. Additionally, this property
 is within the area covered by the approved Ranch Plan Fire Protection Program, which
 includes all applicable conditions of approval and regulations.
- County Service Area (CSA) This property is within the boundaries of County Service Area No. 26.

Traffic/Circulation

- Scenic Highway Corridors There are no Scenic Highways applicable to this map
- Access/Highways/Streets/Roads Access to the site is Laster Lane. Internal tract access will be provided by internal private alleys and motor courts.
- Major Thoroughfare and Bridge Fee Program This project lies within the area of benefit of the Foothill/Eastern Transportation Corridor. The developer is required to pay Foothill/Eastern Major Thoroughfare and Bridge fees in accordance with the adopted program.
- Off-Site Fee Program The project lies within the area of benefit of the South County Roadway Improvement Road Fee Program (SCRIP). The developer is required to pay SCRIP fees in accordance with the adopted program.

Multiple Final Map Phasing

As indicated by Note 19 on this TT19309, the option of multiple final maps phasing has been requested as part of the approval of this Vesting Tentative Tract Map.

DEVIATIONS FROM STANDARDS OF DESIGN:

The developer may request deviations from County standard design criteria in accordance with Subdivision Code section 7-9-291. In the absence of any specifically approved deviation

request, the County-approved standard design criteria will prevail. No deviations are requested with this map.

ALTERNATIVE DEVELOPMENT STANDARDS:

As indicated by Note 30 on this TT19309, as allowed by General Regulation #25 of the Ranch Plan Planned Community Program Text, proposed Alternative Development Standards are intended to be incorporated into the development.

Upon review of this application our hope is that staff supports OC Subdivision Committee approval of the "B" tentative tract map. Please contact me with any questions, or if you or your staff need any further information.

Sincerely,

Richard Vuong Project Director, Planning and Entitlement Rancho Mission Viejo

Subject: Preliminary Water and Sewer Letter for RMV Community Development, LLC,

VTTM 19309, Rancho Mission Viejo, in Improvement District No. 5

Greetings:

This letter is in response to a request by Pulte Group (Developer) for a preliminary water and sewer letter for the subject tract.

The Santa Margarita Water District (District) supplies all of its current customers with domestic water purchased from the Metropolitan Water District of Southern California (Metropolitan) through the Municipal Water District of Orange County (MWDOC), which acts as a wholesaler to its member agencies. It is anticipated the subject tract would also be supplied with available domestic water purchased from Metropolitan through MWDOC. Supplemental water for this development, if required, will be provided per the approved The Ranch Plan Planning Area 3 and 4 Water Supply Verification, dated October 2017. Subject to the Developer's successful completion of the in-tract water and recycled water and the District's construction of the off-site water and recycled water facilities, the District can and will provide domestic and recycled water service to each and every building parcel in the subject tract without exception.

Furthermore, and subject to the Developer's successful completion of the in-tract sewer facilities and the District's construction of off-site sewer facilities, the District can and will provide sewer service to each and every building lot within the subject tract without exception.

At this time, the Developer has not provided surety to guarantee the construction of the in-tract water, recycled water and sewer facilities. A final will-serve will be issued upon your request when (1) the Developer has guaranteed the construction of the in-tract facilities and (2) construction of the District's water and sewer facilities is assured.
