South Coast Air Quality Management District (SCAQMD) Rule 1403 governs work practice requirements for asbestos in all renovation and demolition activities. Please refer to [Rule 1403](#) for all current requirements.

California Health and Safety Code Section 19827.5 requires that evidence of demolition notification submitted to SCAQMD be provided to Orange County Public Works, OC Development Services prior to the issuance of any building permit including demolition work.

I understand and acknowledge this requirement.
