Mr. Andrew Salas, Chairman Gabrieleño Band of Mission Indians - Kizh Nation P.O. Box 393 Covina, CA 91723 VIA CERTIFIED MAIL

Subject: AB 52 Notification for the Workforce Reentry Center Project

Dear Chairman Salas:

Orange County Public Works (OCPW), OC Development Services/Planning provides this notice pursuant to the provisions of Assembly Bill 52 and Section 21080.3.1(d) of the Public Resources Code, requiring formal notification of projects in the geographic area that is traditionally and culturally affiliated with your tribe. Pursuant to Public Resources Code Section 21080.3.1, California Native American tribes have 30 days from receipt of this notification to request consultation with OC Development Services/Planning regarding possible significant effects that implementation of this project may have on Tribal Cultural Resources.

OCPW proposes to develop a Workforce Reentry Center (proposed Project) on an approximately 4.6-acre property located at 561 The City Drive South, Orange, California (Assessor's Parcel Numbers [APNs] 231-091-02, 231-091-03, 231-091-09, and 231-271-02); **refer to Figure 1: Project Location Map.** The proposed Project would provide transitional housing and vocational training for adult individuals involved in the criminal justice system or other County systems of care to facilitate their transition into the workforce. The proposed Project would develop the project site with three buildings: approximately 37,200 square foot office/vocational building, an approximately 16,166 square foot retail/culinary building, and an approximately 26,998 square foot supportive housing and services building. Ancillary site improvements would include utility infrastructure connections/relocations, landscaping, and hardscaping, including surface parking and a new internal circulation roadway.

The previous use of the project site was a County-operated animal shelter. A cell phone will be relocated to a different location on the project site prior to construction of the proposed Project. In addition, a portion of the project site includes part of an underutilized recreation yard associated with the Theo Lacy Facility. Minor off-site improvements are proposed for The City Drive South and West Metropolitan Drive to improve vehicular access to the project site, including traffic signal modifications, restriping, and median modifications; **refer to Figure 2: Existing Land Uses Map**.

Should you have any questions related to this project, please contact me at <u>Virginia.Gomez@ocpw.ocgov.com</u> or (714) 667-1614, or contact Cindy Salazar at <u>Cindy.Salazar@ocpw.ocgov.com</u> or (714) 667-8870.

Sincerely,

Virginia Gomez Senior Planner
