

ITEM #5

SUBDIVISION COMMITTEE PRELIMINARY REPORT

DATE: September 17, 2025

TO: Orange County Subdivision Committee

FROM: OC Development Services / Land Development Division

SUBJECT: "B" Vesting Tentative Tract Map 19325 within Planning Area 3, Subarea 3.5, Ranch Plan Planned Community

PROPOSAL: The applicant, Rancho Mission Viejo (RMV), requests approval of "B" Vesting Tentative Tract Map 19325 (VTTM 19325) to subdivide a 10.13-acre site into 60 numbered lots for 60 conventional single-family detached dwellings, 2 lettered lots for private motor courts, 2 lettered lots for open space, and 15 lettered lots for sloped landscape areas.

ZONING: Ranch Plan Planned Community

GENERAL PLAN: 1B "Suburban Residential"

LOCATION: The project site is located in the southeastern portion of unincorporated Orange County, within Subarea 3.5, Lots 33 through 39, and Lots KK, NN, and PP of Tract Map 17935 in the Ranch Plan Planned Community. The project site is located east of Ranch Canyon and north of Cow Camp Road, south of the intersection of Ranch Canyon and Lamkin Lane, within the Fifth (5th) Supervisorial District.

**OWNER/
SUBDIVIDER:** RMV PA3 Development, LLC (RMV)

It is noted that the current landownership is RMV, but the transfer of ownership to Shea Homes will begin upon recordation of the Final Tract Map.

APPLICANT: Rancho Mission Viejo
Richard Vuong, Project Director, Planning and Entitlement

**STAFF
CONTACT:** Hesty Liu, Senior Planner, Land Development Division
Phone: (714) 667-5604
Email: hesty.liu@ocpw.ocgov.com

RECOMMENDED ACTION(S):

Land Development recommends that the Subdivision Committee:

- 1) Receive staff report and public testimony as appropriate.
- 2) Find that Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 2006, Addendum 1.1 (PA110003-06) approved February 24, 2011, the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013, and Addendum 3.1 (PA140072-81) approved February 25, 2015 reflect the independent judgment of the County and are adequate to satisfy the requirements of CEQA for approval of Vesting Tentative Tract Map (VTTM) 19325, which is a necessarily included element contemplated as part of the whole of the action considered in Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, and Addendum 3.1.
 - a. The circumstances of the project are substantially the same as described in Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, and Addendum 3.1, which adequately addressed the effects of the project proposed in VTTM 19325. No substantial changes have been made in the project that involve new significant environmental effects or a substantial increase in the severity of previously identified significant effects; no substantial changes have occurred in the circumstances under which the project is being undertaken, that involve new significant environmental effects or a substantial increase in the severity of previously identified environmental effects; and no new information of substantial importance to the project which was not known or could not have been known when Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, and Addendum 3.1 were certified and approved has become known; therefore, no further environmental review is required.
 - b. Final EIR 589, Addendum 1.0, Addendum 1.1, the Planning Area 2 Addendum, and Addendum 3.1, are adequate to satisfy the requirements of CEQA for VTTM 19325.
 - c. All mitigation measures are fully enforceable pursuant to Public Resources Code section 21081.6(b) and have either been adopted as conditions, incorporated as part of the project design, or included in the procedures of project implementation.
- 3) Approve VTTM 19325, subject to the attached Findings and Conditions of Approval (Appendices A and B).

NOTE: Per State Law, for any improvements required prior to the recordation of a final map, the developer may instead enter into an agreement with the County of Orange guaranteeing all required improvements. Said agreement shall be accompanied by financial security.

BACKGROUND AND EXISTING CONDITIONS:

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway at Antonio Parkway/La Pata Avenue, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community comprises 75 percent permanent open space and allows for the development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses in the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the unique characteristics of the property and a development plan for the transition to suburban uses occurring over a 25- to 30-year period.

Subdivision Committee Draft Report – September 17, 2025

VTTM 19325 – RMV Subarea 3.5

Page 3 of 9

The Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were originally approved on February 25, 2015, by the Planning Commission (PA140072-PA140081) and revised administratively on May 22, 2017 (PA150047). On September 11, 2019, the Planning Commission approved amendments and revisions to the Master Area Plans and Subarea Plans for Planning Areas 3 and 4 (PA180030) which reflect the applicant's plan to develop Planning Area 3 in smaller phases. Administrative revisions to the Master Area Plan and Subarea Plans for Planning Areas 3 and 4 were approved in October 2022 (PA22-0067), October 2024 (PA24-0104) and most recently in May 2025 (MB24-0070), to adjust residential dwelling unit counts, non-residential square footage, and the locations of community facilities.

"A" Vesting Tentative Tract Map 17935 for Subarea Plan 3.5 was approved by the Subdivision Committee on October 16, 2024. The Final Tract Map 17935 was subsequently approved by the County of Orange Board of Supervisors on August 26, 2025, and recorded by the County Clerk-Recorder on September 10, 2025. Subarea 3.5 is currently being graded under issued permit GRD24-0045 and the street and storm drain improvement plan (STP25-0005) is under review by the County.

Proposed Project

The applicant, Rancho Mission Viejo, is requesting approval of "B" Vesting Tentative Tract Map 19325 (VTTM 19325) to subdivide a 10.13-acre site within Planning Area 3.5 of the Ranch Plan Planned Community into 60 numbered lots for conventional single-family detached dwellings, two lettered lots for private motor courts, two lettered lots for open space, and 15 lettered lots for slope/landscape lots. VTTM 19325 is one of several "B" maps proposed for Planning Area 3, Subarea 3.5 of the Ranch Plan. The approval of the "A" Map – Final Map 17935 has established the outer boundaries for these B Maps, which further subdivide the land into smaller lots for the construction of housing, open space, streets, and other supporting facilities. Additional details of the proposed "B" map (Exhibit 2) are provided in the Discussion/Analysis section.

SURROUNDING LAND USE:

Land uses immediately surrounding the project site include the following:

- North: Residential Tract 19322
- South: Residential Tracts 19326
- East: Public street/Residential Tract 19322
- West: Public Street/Open Space

Please refer to the General Vicinity Map (Exhibit 1) and the Project Site Map (Exhibit B on the following page).

Subdivision Committee Draft Report – September 17, 2025

VTTM 19325 – RMV Subarea 3.5

Page 4 of 9

Exhibit 2 – Tentative Tract Map 19325

DISCUSSION/ANALYSIS:

General Description

The proposed “B” VTTM 19325 subdivides a 10.13-acre site within Planning Area 3.5 of the Ranch Plan Planned Community into 60 numbered lots for conventional single-family detached dwellings and 19 lettered lots designated for private motor courts, open space, and slope/landscape areas. General access to the tract will be provided via Lamkin Lane, a public street that encircles the site to the north and east. The tract map has been designed to create individual residential lots fronting the internal circular residential streets.

Among the lettered lots, Lots A and B are designated for private motor courts to provide access. Lots C and D are reserved for open space, while Lots E through S, located along the tract boundary, are allocated for slope and landscaping areas. Proposed lot sizes range from 3,963 to 6,152 square feet, with a net density of 8.82 dwellings per acre.

Consistency Analysis:

Proposed “B” VTTM 19325 is consistent with:

- a. State Subdivision Map Act and County of Orange Subdivision Code and Manual.

Subdivision Committee Draft Report – September 17, 2025

VTTM 19325 – RMV Subarea 3.5

Page 5 of 9

- b. General Plan, Land Use Element: Suburban Residential. The proposed map is consistent with the Suburban Residential designation.
- c. Zoning: Planned Community. The proposed map is in conformance with the County of Orange Planned Community District regulations as regulated by the Ranch Plan Planned Community Text, statistical summary, and development maps.
- d. Area Plans: The proposed map is consistent with the PA3 Master Area Plan, Subarea Plan 3.5, and the PA3 & 4 Master Area and Subarea Plan Amendment and Addendum (PA180030). Additional administrative revisions affecting PA3 and Subareas were approved in 2022 (PA22-0067), 2024 (PA24-0104), and 2025 (PA24-0181 & MB24-0070).
- e. CEQA: The proposed map is consistent with Program EIR 589, which was certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1 approved on February 25, 2015.
- f. Alternative Development Standards: All previously approved Alternative Development Standards that are to be incorporated into the development of Subarea 3.5 are listed within the Note #28 on Sheet 1 of the proposed VTTM 19325.
- g. Regulation Compliance Matrix: Clearance of all applicable conditions of approval have been confirmed per the Ranch Plan Regulation Compliance Matrix.

Estimated Earthwork

The proposed estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e., Master Area Plan (PA3), Subarea Plan 3.5, Tract 17935, and related grading permit (GRD22-0016 and GRD24-0045). The proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendum 3.1.

Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan (ROMP) Area. A Master Plan of Drainage (MPD) consistent with the latest version of the PA 3 and 4 ROMP has been established for the project site (Subarea 3.5). VTTM 19325 is located in Subarea 3.5 and therefore is consistent with this MPD, however no MPD fees are required.

Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or OCTA Strategic Plan for Bikeways.

- Master Plan of Regional Recreation Facilities - There are no regional park dedication requirements of the subject map.
- Master Plan of Regional Riding and Hiking Trails - There are no riding and hiking trail requirements of the subject map.
- Master Plan of Local Parks (Local Park Code) - The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code). The Local Park Code requirement for the subject map VTTM 19325 is 0.48 net usable acres (0.008 ac/unit) of park land

Subdivision Committee Draft Report – September 17, 2025

VTTM 19325 – RMV Subarea 3.5

Page 6 of 9

based upon a proposal to build 60 dwelling units at a gross residential density of 5.93 du/ac (60 du/10.13 ac). Said requirement can be satisfied by an allocation of parkland credit from Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan P.C. originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, 3rd Amendment approved November 7, 2019 and 4th Amendment approved December 6, 2023.

Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94.0 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. Of the 94 acres required, 65.5 acres of creditable parkland are anticipated in Planning Areas 3 and 4. For Subarea 3.5, the Ranch Plan LPIP does not indicate any requirements for public or private parkland. However, VTTM 17935 (A Map) has identified 0.4 acres for the development of a private park (Lot 53) which lies outside the project area. Therefore, there are no parkland dedication requirements applicable to VTTM19325.

- Resources Element - Open Space Component - There are no open space dedication requirements applicable to the subject map.
- OCTA Strategic Plan for Bikeways - There are no County-wide bikeways identified within the area of this map.

Public Services & Utilities

- Schools - This property is within the boundaries of the Capistrano Unified School District. The developer is subject to the provisions of Assembly Bill AB 2926 or other mitigating measures designed to provide for school facilities and/or funding, such as community facilities districts, as outlined by Mitigation Measure 4.15-5 of FEIR 589.
- Facilities Fees Programs - This project area is included within the Ranch Plan Planned Community Development Agreement DA04-01 which phases development commensurate with public services and facilities.
- Water/Sewer - This project is within the boundaries of the Santa Margarita Water District. The District stated in their Preliminary Water Sewer Letter, dated July 2, 2025, that the District will be capable of providing water and sewage disposal service to this development.
- Water Quality Control - This project will be required to operate in accordance with requirements prescribed by the California Regional Water Quality Control Board, San Diego Region, as outlined by Standard Conditions 4.5-3 thru 4.5-11 of FEIR 589.
- Fire Protection and Safety - Existing and proposed fire protection services will be providing an adequate level of fire protection services to this development. Additionally, this property is within the area covered by the approved Ranch Plan Fire Protection Program, which includes all applicable conditions of approval and regulations. A Fire Master Plan has been prepared for Subarea 3.5, which has been reviewed and approved by the Orange County Fire Authority on May 28, 2025.
- County Service Area (CSA) - This property is within the boundaries of County Service Area No. 26.

Traffic/Circulation

- Scenic Highway Corridors - There are no Scenic Highways applicable to this map.

Subdivision Committee Draft Report – September 17, 2025

VTTM 19325 – RMV Subarea 3.5

Page 7 of 9

- Access/Highways/Streets/Roads - Access to the site is via Ranch Canyon and Lamkin Lane, the proposed public streets. Internal tract access will be provided via in-tract public streets and private motor courts.
- Major Thoroughfare and Bridge Fee Program - This project lies within the area of benefit of the Foothill/Eastern Transportation Corridor. The developer is required to pay Foothill/Eastern Major Thoroughfare and Bridge fees in accordance with the adopted program.
- Off-Site Fee Program – The project lies within the area of benefit of the South County Roadway Improvement Road Fee Program (SCRIP). The developer is required to pay SCRIP fees in accordance with the adopted program.

Fire Master Plan

The applicant has provided a copy of the Orange County Fire Authority (OCFA) Fire Master Plan, Service Request number 25000812, approved on May 28, 2025. OCFA has reviewed the proposed project and has concurred with the proposal. OCFA and Land Development will continue to coordinate necessary plan check reviews during the permitting and construction process to ensure VTTM 19325 is established in compliance with associated fire safety and fire protection requirements.

Multiple Final Map Phasing

As indicated on the Map under Note #20 of the title sheet VTTM 19325, the option of multiple final maps phasing has been requested as part of the approval of this Vesting Tentative Tract Map.

ALTERNATIVE DEVELOPMENT STANDARDS:

As allowed by General Regulation #25 of the Ranch Plan Planned Community Program Text, proposed Alternative Development Standards are intended to be incorporated into the development as listed within the “Notes” portion of the cover page of VTTM 19325. The following approved Ranch PC Alternative Development Standards (approved May 22, 2024) are proposed as part of VTTM 19325:

- A-1 36-Foot Double Loaded Streets (Up to 800 ADT)
- A-5 Residential Parkway
- A-11 Curb Returns at Each Residential Driveway
- A-18 Modified Knuckle
- A-20 Alternative Neighborhood Sidewalk Detail- Curb-Separated Sidewalk
- A-36a Modified Ribbon Curb on Private Streets
- B-2 Intersection Sight Line Standards
- B-8 Corner Ramp Condition Typical Intersection
- B-9 Modified Color of Curb Ramp Detectable Warning Surface
- D-4b Conventional Single Family Detached Dwellings Setbacks
- D-11 Residential Guest Parking
- G-4 Curb (and Gutter) Options on Private Streets, Private Drives & Alleys
- G-7 Reduced Local Depression on Private Streets
- G-8 Reduced Local Depression on Public Streets
- G-9 Rolled Curb on Private Streets
- G10 Grated Inlet Catch Basins with Rolled Curb on Private Streets
- G-11 Reduced Local Depression with Rolled Curb on Private Streets
- J-5 Class III NEV Route

Page 8 of 9

REFERRAL FOR COMMENT AND PUBLIC NOTICE:

Copies of the vesting tentative tract map submittal package were distributed for review and comment to County staff and consultants, including Land Development, Traffic Engineering, Development Support, Survey, Operations & Maintenance, Building & Safety and the Orange County Fire Authority. Through a collaborative effort with County staff, the applicant adequately addressed all comments. As of the writing of this staff report, no further comments have been received from any County divisions.

A Notice of Public Hearing was mailed to all property owners of record within 300 feet of the subject site on September 5, 2025. Additionally, notices were posted at the project site, at the County Administrations North (CAN) Building, on the Orange County Public Works website, and in the local newspaper "OC Reporter" as required by established public hearing posting procedures. No public comments have been received to date.

CEQA COMPLIANCE:

The proposed project is covered by previous CEQA documentation, which includes Final Program EIR 589, certified on November 8, 2004; Addendum 1.0, approved on July 26, 2006; Addendum 1.1, approved on February 24, 2011; the Planning Area 2 Addendum, approved on March 27, 2013; and Addendum 3.1, approved on February 25, 2015. This finding is appropriate and complies with the intent of CEQA, pursuant to the Orange County 2020 Local CEQA Procedures Manual, Section 13.1 for projects where a previous environmental document (i.e., Program EIR 589) is already in place. Further CEQA evaluation and clearances are not required for the proposed VTTM 19325.

CONCLUSION:

Based on the review of the subject submittal, staff supports approval of the applicant's proposed "B" Vesting Tentative Tract Map 19325 (VTTM 19325) pursuant to the Orange County Subdivision Code, Orange County Codified Ordinances (OCCO) Subarticle 5 (Processing Procedures for Tentative Maps).

APPEAL PROCEDURE:

Any interested person may appeal the decision of the Subdivision Committee on this application to the Orange County Planning Commission within 10 calendar days of the decision upon submittal of required documents and a filing fee of \$500.00 filed at the Development Processing Center, 601 N. Ross St., Santa Ana. If you challenge the action taken on this proposal in court, you may be limited to raising only those issues you or someone else raised in written correspondence delivered to OC Development Services.

Appendix A Findings

VTTM 19325

1	EIR AND ADDENDUM	VTTM 19325 (Custom)
That the decision-maker has considered Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 2006; Addendum 1.1 (PA110002-PA110006) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-PA130004 and PA130006) approved on March 27, 2013; Addendum 3.1 (PA140072-81) approved February 25, 2015; and the Planning Area 3 & 4 Amendment and Addendum (PA180030) approved September 11, 2019 prior to project approval. The addendums are approved for the proposed project based upon the following findings:		
a. Together, these documents are adequate to satisfy the requirements of CEQA by the decision-maker;		
b. The additions, clarifications and/or changes to the original document caused by the Addendums, do not raise new significant issues which were not addressed by the EIR and none of the conditions described in CEQA Guidelines Section 15162 applies; and		
c. The consideration of the EIR and approval of the Addendums for the proposed project reflect the independent judgment of the Lead Agency.		
2	ENVIRONMENTAL MONITORING	VTTM 19325 (Custom)
That the monitoring requirements of Public Resources Code Section 21081.6 (AB 3180) will be considered as having been met in that the design of the subject project, the satisfaction of the requirements of the County's building, grading, fire, and other codes and ordinances and the satisfaction of the conditions of approval applied to the project will implement the mitigation measures contained in EIR No. 589, Addendum 1 (PA06-0023), Addendum 1.1 (PA110003-0006), the Planning Area 2 Addendum (PA130001-0004 and PA130006), Addendum 3.1 (PA140072-81), and the Planning Area 3 & 4 Amendment and Addendum (PA180030).		
3	GENERAL PLAN CONSISTENCY	VTTM 19325
That the proposed map is consistent with the Orange County General Plan.		
4	DESIGN & IMPROVEMENT	VTTM 19325
That the design and improvement of the proposed subdivision are consistent with the Orange County General Plan.		
5	DEVELOPMENT TYPE	VTTM 19325
That the proposed site is physically suitable for the proposed type of development.		
6	DEVELOPMENT DENSITY	VTTM 19325
That the proposed site is physically suitable for the proposed density of development.		
7	ENVIRONMENTAL DAMAGE	VTTM 19325
That the design of the subdivision or the proposed improvements are not likely to cause substantial environmental damage or substantial and avoidable injury to fish or wildlife or their habitat.		
8	PUBLIC HEALTH	VTTM 19325
That the design of the subdivision and the type of improvements proposed are not likely to cause serious public health problems.		
9	PUBLIC EASEMENTS	VTTM 19325
That the design of the subdivision and the type of improvements proposed will not conflict with easements of record or established by court judgment acquired by the public-at-large for access through or use of property within the proposed subdivision.		
10	SUBDIVISION / ZONING CODE CONSISTENCY	VTTM 19325
That the proposed subdivision complies with the requirements set forth in the Orange County Subdivision Code and the Orange County Zoning Code.		
11	ZONING CONSISTENCY	VTTM 19325
That the design and improvement of the proposed subdivision are suitable for the uses proposed, and the subdivision can be developed in compliance with applicable zoning regulations pursuant to Section 7-9-254 of the Subdivision Code.		
12	SEWER SYSTEM	VTTM 19325 (Custom)
That the discharge of waste from the proposed subdivision into the existing sewer system of the Water District will not result in violations of existing requirements prescribed by the California Regional Water Quality Control Board, San Diego Region.		
13	NATURAL HEATING AND COOLING	VTTM 19325
That the design of the subdivision and its improvements do provide, to the extent feasible, for future passive or natural heating or cooling opportunities as specified in Section 66473.1 of the Government Code (Subdivision Map Act).		
14	FEE PROGRAMS	VTTM 19325
That the following determinations apply to fees required by Sections 7-9-700 through 713, Codified Ordinances of Orange County:		
A. Purpose of fees: Fire protection, paramedic, law enforcement, library, and general County services.		
B. Use of fees: Construction of new fire station, sheriff substation, library, and general County facilities in newly developing areas which have inadequate service.		
C. Relationship between use of fees and type of development: Dwelling units and commercial/industrial structures and their occupants require fire protection, paramedic, law enforcement, library, and general County services.		
D. Relationship between need for facilities and type of project: Project is located in newly developing area which has inadequate fire protection, paramedic, library services, and sheriff substation and general County facilities.		
E. Relationship between amount of fees and cost of the portion of the facilities attributable to the development: Fees represent project's pro rata share of the cost of the fire station, sheriff substation, library, and general County facilities.		

15	EXPIRATION OF MAPS	VTTM 19325
That because of participation in fee programs for off-site improvements, this project will qualify for consideration under Section 66452.6 of the Subdivision Map Act.		
16	LOCAL PARK CODE	VTTM 19325 (Custom)
That the Local Park Code requirement can be met by an allocation of park lands credit from PM 07-01, the park implementation plan for the Ranch Plan Planned Community.		
17	DEVELOPMENT AGREEMENT	VTTM 19325
That the Development Agreement contains provisions requiring developer participation in fee programs, facility construction and development phasing and is therefore in compliance with the adopted Growth Management Element in terms of public services and facilities being made available to accommodate development.		
18	APPEAL OF EXACTIONS	VTTM 19325
That the applicant is hereby provided notice that the fees, dedications, reservations or other exactions imposed on this project are as described in this approval as well as the reports and actions accompanying this approval and that the 90-day approval period in which the applicant may protest pursuant to Government Code Section 66020 has begun.		

Appendix B Conditions of Approval VTTM 19325

1 RANCH PLAN REGULATION COMPLIANCE MATRIX VTTM 19325 (Custom)

The applicant shall comply with all applicable requirements of the Ranch Plan Regulation Compliance Matrix: to the satisfaction of the appropriate decision maker listed in each applicable Regulation Compliance Matrix item. The applicable requirements are listed below and attached as Appendix C:

a. Prior to Recordation:

139: EIR 589 Mitigation Measure 4.9-27 – Invasive Plants CC&R Prohibition
 524: EIR 589 Stand. Cond. 4.4-3 (G04) – Off-site Letter of Consent (if necessary)
 527 & 527.1: EIR 589 Standard Condition 4.5-1 (D01a) – Drainage Study
 528 & 528.1: EIR 589 Standard Condition 4.5-2 (D02a) – Drainage Improvements
 529: EIR 589 Standard Condition 4.5-2 (D02a) – Drainage Improvements
 532: EIR 589 Standard Condition 4.5-4 (D04b) – Master Plan of Drainage
 533: EIR 589 Standard Condition 4.5-5 (D06b) – Subordination of Easements
 534: EIR 589 Standard Condition 4.5-5 (D06b) – SMWD Easements
 535: EIR 589 Standard Condition 4.5-6 (D07b) – Regional Facility Improvements
 537 & 537.1: EIR 589 St. Cond. 4.5-8 (WQ01) – Water Quality Management Plan (WQMP)
 538: EIR 589 St. Cond. 4.5-8 (WQ03) – Water Quality Management Plan (WQMP)
 544: EIR 589 Standard Condition 4.6-2 (T01) – Vehicular Access Rights
 545: EIR 589 Standard Condition 4.6-3 (T02) – Private Street Improvements
 546: 546.1: 546.2 & 546.3: SC 4.6-4: (T04) – Street Improvements
 549: EIR 589 Standard Condition 4.6-7 (T08) – Traffic Signal Conduit
 550, 550.1, 550.2 & 550.3: EIR 589 Stand. Cond. 4.6-8 (T12) – Internal Circulation
 551: EIR 589 Standard Condition 4.6-9 (T13b) – Traffic Signal Maintenance Easement
 552: EIR 589 Standard Condition 4.6-10 (T14b) – Traffic Signal Installation
 559 & 559.1: EIR 589 Standard Condition 4.8-3 (N01) – Sound Attenuation
 589.1: EIR 589 Standard Condition 4.15-1 – Water Improvement Plans
 597: EIR 589 Standard Condition 4.15-9 – Capistrano Unified School District fees
 619: Ranch Plan Fire Prot. Program Cond. 4 – OCFA Administrative Approval

b. Prior to Approval of Site Development Permit

109: EIR 589 Mitigation Measure 4.7-3 – Shade Trees in Parking Lot Design
 110: EIR 589 Mitigation Measure 4.7-3 – Use of Light-Colored Roof Materials

c. Prior to Issuance of Grading Permits

2 WATER QUALITY MANAGEMENT PLAN VTTM 19325

Prior to the issuance of any grading or building permits, the applicant shall submit for review and approval by the Manager, Permit Services, a Water Quality Management Plan (WQMP) specifically identifying Best Management Practices (BMPs) that will be used onsite to control predictable pollutant runoff. The applicant shall utilize the Orange County Drainage Area Management Plan (DAMP), Model WQMP, and Technical Guidance Manual for reference, and the County's WQMP template for submittal. This WQMP shall include the following:

- Detailed site and project description
- Potential stormwater pollutants
- Post-development drainage characteristics
- Low Impact Development (LID) BMP selection and analysis
- Structural and Non-Structural source control BMPs
- Site design and drainage plan (BMP Exhibit)
- GIS coordinates for all LID and Treatment Control BMPs
- Operation and Maintenance (O&M) Plan that (1) describes the long-term operation and maintenance requirements for BMPs identified in the BMP Exhibit; (2) identifies the entity that will be responsible for long-term operation and maintenance of the referenced BMPs; and (3) describes the mechanism for funding the long-term operation and maintenance of the referenced BMPs

The BMP Exhibit from the approved WQMP shall be included as a sheet in all plan sets submitted for plan check and all BMPs shall be depicted on these plans. Grading and building plans must be consistent with the approved BMP exhibit.

3 BEST MANAGEMENT PRACTICES VTTM 19325 (Custom)

Prior to issuance of a building permit, the off-site regional Best Management Practices (BMPs) relied upon by this project (e.g., basins, swales, etc.) must be built and/or installed, and operational. The location and operation of these regional BMPs must be in compliance with the Final Project-Specific WQMP for the regional BMP(s). The location and operation of the regional BMP(s) must be demonstrated to the satisfaction of the Manager, Grading and Building Plan Check.

4. COMPLIANCE WITH THE NPDES IMPLEMENTATION VTTM 19325 PROGRAM

Prior to the issuance of a certificate of use and occupancy, the applicant shall demonstrate compliance with the County's NPDES Implementation Program in a manner meeting the satisfaction of the Manager, OC Inspection, including:

- Demonstrate that all structural Best Management Practices (BMPs) described in the BMP Exhibit from the project's approved WQMP have been implemented, constructed and installed in conformance with approved plans and specifications
- Demonstrate that the applicant has complied with all non-structural BMPs described in the project's WQMP
- Submit for review and approval an Operations and Maintenance (O&M) Plan for all structural BMPs (the O&M Plan shall become an attachment to the WQMP.
- Demonstrate that copies of the project's approved WQMP (with attached O&M Plan) are available for each of the initial occupants.
- Agree to pay for a Special Investigation from the County of Orange for a date twelve (12) months after the issuance of a Certificate of Use and Occupancy for the project to verify compliance with the approved WQMP and O&M Plan
- Demonstrate that the applicant has RECORDED one of the following:
 1. The CC&R's (that must include the approved WQMP and O&M Plan) for the project's Homeowner's Association.
 2. A water quality implementation agreement that has the approved WQMP and O&M Plan attached; or
 3. The final approved Water Quality Management Plan (WQMP) and Operations and Maintenance (O&M) Plan. (Appendix C - Items 539, 539.1, 539.2)

5 INDEMNIFICATION VTTM 19325 (Custom)

Applicant shall defend with counsel approved by the County of Orange in writing, indemnify and hold harmless the County of Orange, its officers, agents and employees from any claim, action or proceeding against the County, its officers, agents or employees to attack, set aside, void, or annul any approval of the application or related decision, or the adoption of any environmental documents, findings or other environmental determination, by the County of Orange, its Board of Supervisors, Planning Commission, Zoning Administrator, Director of OC Public Works, or Director of Planning concerning this application. The County may, at its sole discretion, participate in the defense of any action, but such participation shall not relieve applicant of his/her obligations under this condition. Applicant shall reimburse the County for any court costs and attorney's fees that the County may be required to pay as a result of such action. The County shall promptly notify the applicant of any such claim, action or proceeding.

6 BUYER NOTIFICATION MAP VTTM 19325 (Custom)

Prior to the issuance of any building permits for residential construction, the developer RMV Community Development, LLC, shall prepare a map denoting the existing and proposed land uses, arterial highways, and public facilities within the surrounding area for the approval of the Manager, OC Planning. The map content, display, and distribution shall be in accordance with the Buyer Notification Program guidelines listed in Board of Supervisors Resolution 82-1368 and as amended.

7 **MANEUVERABILITY EASEMENT** **VTTM 19325 (Custom)**
Prior to recordation of the final tract map, the subdivider shall demonstrate that all necessary ingress/egress easements for vehicle maneuverability within motor courts/alleyways are identified on the final map subject to the satisfaction of the Manager, Land Development. The easement shall prohibit property owners from installing any improvements within the easement area or interfering with the use or maintenance of the easement.

SUBJECT:

Application for "B" Vesting Tentative Tract Map 19325 within Rancho Mission Viejo (Ranch Plan) Planning Area 3, Subarea 3.5 for the MR40 Shea Homes project

Dear Ms. Jiménez,

PROPOSAL:

Rancho Mission Viejo requests Subdivision Committee approval of Vesting Tentative Tract Map 19325 within Rancho Mission Viejo (Ranch Plan) Planning Area 3, Subarea 3.5 for the MR40 project to allow 60 Conventional Single Family Detached Dwellings on 60 numbered residential lots and 19 lettered lots for landscaped open space purposes.

ZONING:

Ranch Plan Planned Community (PC) – Subarea Plan 3.5 Conventional Single Family Detached Dwellings (PC Text Section III.A.1)

LOCATION:

The MR40 project site is located within the Ranch Plan Planned Community - Planning Area 3 (PA3), Subarea 3.5 and Vesting Tentative Tract Map 17935, Lots 33-39, and Lots KK, NN, and PP in unincorporated Orange County, California.

LANDOWNER/SUBDIVIDER:

The specific land ownership entity for the proposed project site is RMV PA3 Development LLC (referred to as Rancho Mission Viejo, or "RMV"). The site will eventually be owned by, and homes built by, a neighborhood builder company (Shea Homes).

BACKGROUND AND EXISTING CONDITIONS:

In November 2004, the County of Orange approved the Ranch Plan Planned Community, which encompasses approximately 22,815 acres located east of I-5, north and south of Ortega Highway, within the Fifth Supervisorial District. As approved, the Ranch Plan Planned Community encompasses 75 percent permanent open space, with development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses allowed within the remaining 25 percent. It is regulated by the Ranch Plan PC Program Text which addresses the

unique characteristics of the property and a development plan for the transition to suburban/urban uses occurring over a 25- to 30-year period.

The Master Area Plan and Subarea Plans for Planning Area 3 were approved on October 27, 2022 including Subarea Plan 3.5 (PA22-0067) and again in October 2024 (PA24-0104). VTTM 17935 for Subarea Plan 3.5 was approved by the OC Subdivision Committee on October 16, 2024. Grading for Subarea 3.5 is approved and currently under construction.

PROPOSED PROJECT:

The applicant (RMV) requests approval of Vesting Tentative Tract Map 19325 to allow 60 Conventional Single-Family Detached Dwellings on 60 numbered residential lots and 19 lettered lots for landscaped open space purposes, all within the 10.13-acre project site. Subsequent model sales complex and construction level building applications will be submitted by Shea Homes. The project will also include street and infrastructure improvements, landscaping, and minor precise grading.

The 60 numbered lots range in size from 3,963 square feet up to 6,152 square feet. The site has a net residential acreage of 6.80 acres (excluding streets, motorcourts, alleys and HOA slopes) for a net residential density of 8.82 dwelling units per acre.

SURROUNDING LAND USE:

Land uses immediately surrounding the project site include the following:

- Westerly: Chaquita Canyon – open space / public street
- Southerly: Subarea 3.5 – future residential
- Easterly: Subarea 3.5 – public street / future residential
- Northerly: Subarea 3.5 – future residential

REFERRAL FOR COMMENT AND PUBLIC NOTICE:

The applicant understands that the tentative map application submittal will be distributed for review and comment to County staff and consultants, including Land Development, OC Infrastructure Programs, Inspection Services, Building & Safety, OC Survey, and Orange County Fire Authority. We also understand that the VTTM must be approved by the OC Subdivision Committee at a Public Meeting with a public notice mailed to all property owners of record within 300 feet of the subject, and posted at the site, at the Orange County Hall of Administration, and at 601 N. Ross Street, as required by established public meeting posting procedures.

CONSISTENCY ANALYSIS:

The proposed SDP and VTTM are consistent with the Ranch Plan PC Program Text Use Regulations & Development Standards (PC Program Text, Section III), as described below:

- a. General Plan – The OC General Plan Land Use Element designates Subarea 3.4 of Ranch Plan as “1B, Suburban Residential (0.5 to 18 du/ac)”, per GPA 01-01. The proposed SDP and VTTM are consistent with the 1B “Suburban Residential designation.
- b. Zoning – The proposed SDP and VTTM are consistent with the Ranch Plan Planned Community zoning, including all applicable requirements of the PC Program Text Use Regulations & Development Standards (PC Section III).
- c. State Subdivision Map Act and County of Orange Subdivision Code and Manual – In Compliance.

- d. Area Plans – The proposed SDP and VTTM are consistent with land uses and other details of PA3&4 Master Area Plan and Subarea Plan 3.5 (PA22-0067 & PA24-0104)
- e. CEQA – The proposed SDP and VTTM are consistent with Final EIR 589, previously certified on November 8, 2004; Addendum 1.0 (PA060023) approved July 26, 2006; Addendum 1.1 (PA110003-06) approved February 24, 2011; the Planning Area 2 Addendum (PA130001-06) approved March 27, 2013; and Addendum 3.1 (PA140072-81) approved February 25, 2015.
- f. Alternative Development Standards – All Alternative Development Standards incorporated into this project have been previously approved by the appropriate decision maker per the Ranch Plan Planned Community Program Text, General Regulation 25.
- g. Regulation Compliance Matrix – Clearance of all applicable conditions of approval have been confirmed per the Ranch Plan Regulation Compliance Matrix.

Estimated Earthwork

The proposed estimated grading quantities for this map are substantially consistent with or less than the earthwork quantities described under previous approvals (i.e. Master Area Plan (PA3&4), Subarea Plan 3.5, VTTM 17935 and Subarea 3.5 Rough Grading Permit GRD24-0045 currently in process. The proposed grading on this map has been addressed per CEQA document FEIR 589, together with Addendum 3.1 (PA140072-81) approved February 25, 2015.

Drainage:

The subject property is in the Ranch Plan Planned Community Runoff Management Plan Area. No Master Plan of Drainage (MPD) facilities have been identified or approved within the site and no MPD fees are required.

Recreation and Open Space:

The proposed map is not required to provide any improvements or dedications associated with the County Master Plan of Regional Recreation Facilities; Master Plan of Regional Riding and Hiking Trails; Resources Element (Open Space Component); or OCTA Strategic Plan for Bikeways.

- Master Plan of Regional Recreation Facilities - There are no regional park dedication requirements of the subject map.
- Master Plan of Regional Riding and Hiking Trails - There are no riding and hiking trail requirements of the subject map.
- Master Plan of Local Parks (Local Park Code) - The proposed map is required to provide park land in accordance with the Master Plan of Local Parks (Local Park Code). The Local Park Code requirement for the subject map VTTM 19325 is 0.48 net usable acres of park land based upon a proposal to build 60 dwelling units at a gross residential density of 5.93/ac (60 du x .008 ac/du). Said requirement can be satisfied by an allocation of parkland credit from Park Modification PM07-01, the Local Park Implementation Plan (LPIP) for the Ranch Plan P.C. originally approved March 14, 2007, 1st Amendment approved in June 2012, 2nd Amendment approved on July 16, 2014, 3rd Amendment approved November 7, 2019, and 4th Amendment approved December 6, 2023. Per the Ranch Plan LPIP, the total parkland acreage requirement for the entire Ranch Plan Planned Community is 94.0 acres, based on 14,000 approved dwelling units and the anticipated proportion of single-family and multi-family units. The Ranch Plan LPIP (PM07-01) indicates that far more acres of total community-wide parkland will be implemented in Planning Area 3&4 than would be required per County standards, based on the 7,500 dwelling units entitled by the PA3&4 Master Area Plan PA180030, per the parkland generation factor for each unit (greater than 6.5 du/ac requires 0.006 acres and less than 6.5 du/ac requires 0.008 acres).

- Resources Element - Open Space Component - There are no open space dedication requirements of the subject map.
- OCTA Strategic Plan for Bikeways - There are no County-wide bikeways identified within the area of this map.

Public Services & Utilities

- Schools - This property is within the boundaries of the Capistrano Unified School District. The developer is subject to the provisions of Assembly Bill AB 2926, or other mitigating measures designed to provide for school facilities and/or funding, such as community facilities districts. No school site is proposed for Subarea 3.5.
- Facilities Fees Programs - This project area is included within the Ranch Plan Planned Community Development Facility Agreement area which phases development commensurate with public services and facilities.
- Water/Sewer - This project is within the boundaries of the Santa Margarita Water District. The District stated in their "will-serve" letter dated 07/02/2025, that the District will be capable of providing water and sewage disposal service to this development.
- Water Quality Control - This project will be required to operate in accordance with requirements prescribed by the California Regional Water Quality Control Board, San Diego Region.
- Fire Protection and Safety - Existing and proposed fire protection services will be providing an adequate level of fire protection services to this development, per the TT19325 Fire Master Plan approved by OCFA 05/28/2025. Additionally, this property is within the area covered by the approved Ranch Plan Fire Protection Program, which includes all applicable conditions of approval and regulations.
- County Service Area (CSA) - This property is within the boundaries of County Service Area No. 26.

Traffic/Circulation

- Scenic Highway Corridors - There are no Scenic Highways applicable to this map
- Access/Highways/Streets/Roads - Access to the site is Laster Lane. Internal tract access will be provided by internal private alleys and motor courts.
- Major Thoroughfare and Bridge Fee Program - This project lies within the area of benefit of the Foothill/Eastern Transportation Corridor. The developer is required to pay Foothill/Eastern Major Thoroughfare and Bridge fees in accordance with the adopted program.
- Off-Site Fee Program – The project lies within the area of benefit of the South County Roadway Improvement Road Fee Program (SCRIP). The developer is required to pay SCRIP fees in accordance with the adopted program.

Multiple Final Map Phasing

As indicated by Note 22 on this TT19325, the option of multiple final maps phasing has been requested as part of the approval of this Vesting Tentative Tract Map.

DEVIATIONS FROM STANDARDS OF DESIGN:

The developer may request deviations from County standard design criteria in accordance with Subdivision Code section 7-9-291. In the absence of any specifically approved deviation request, the County-approved standard design criteria will prevail. No deviations are requested with this map.

ALTERNATIVE DEVELOPMENT STANDARDS:

As indicated by Note 30 on this TT19325, as allowed by General Regulation #25 of the Ranch Plan Planned Community Program Text, proposed Alternative Development Standards are intended to be incorporated into the development.

Upon review of this application our hope is that staff supports OC Subdivision Committee approval of the "B" tentative tract map. Please contact me with any questions, or if you or your staff need any further information.

Sincerely,

Richard Vuong

Subject: Preliminary Water and Sewer Letter for Shea Homes, VTTM 19325, Rancho Mission Viejo, in Improvement District No. 5

Greetings:

This letter is in response to a request by Shea Homes (Developer) for a preliminary water and sewer letter for the subject tract.

The Santa Margarita Water District (District) supplies all of its current customers with domestic water purchased from the Metropolitan Water District of Southern California (Metropolitan) through the Municipal Water District of Orange County (MWDOC), which acts as a wholesaler to its member agencies. It is anticipated the subject tract would also be supplied with available domestic water purchased from Metropolitan through MWDOC. Supplemental water for this development, if required, will be provided per the approved The Ranch Plan Planning Area 3 and 4 Water Supply Verification, dated October 2017. Subject to the Developer's successful completion of the in-tract water and recycled water and the District's construction of the off-site water and recycled water facilities, the District can and will provide domestic and recycled water service to each and every building parcel in the subject tract without exception.

Furthermore, and subject to the Developer's successful completion of the in-tract sewer facilities and the District's construction of off-site sewer facilities, the District can and will provide sewer service to each and every building lot within the subject tract without exception.

At this time, the Developer has not provided surety to guarantee the construction of the in-tract water, recycled water and sewer facilities. A final will-serve will be issued upon your request when (1) the Developer has guaranteed the construction of the in-tract facilities and (2) construction of the District's water and sewer facilities is assured.

Should you have any questions or desire additional information, please call Karla Houlihan at (949) 459-6581.

Sincerely,
SANTA MARGARITA WATER DISTRICT

PROJECT SUMMARY NOTES	
Density:	
• Gross Density: The number of dwelling units per gross acre (per definition of "gross acres") • Net Density: The number of dwelling units per net acre (per definition of "net acres")	
Gross Acres:	The total acreage of the building site including, but not limited to, building site areas, streets, driveways, private recreation areas, ornamental landscaped parkland, open space, easement areas and wetlands.
Net Acres:	The number of acres remaining after subtracting other land uses such as parks, other, peripheral open space, schools and collector and arterial roads and after subtracting other greater than ten (10) feet in height from the total gross acreage.
Net Residential Area:	The amount of land remaining in a project, measured in acres, after deduction of all areas contained in public and private street and highway, rights-of-way, schools, parks, limited open space, other off-site parking areas, and any other use, easement or encumbrance which prevents its surface use of the property for a building use or construction of structures (i.e., other than residential).
