

APPLICATION PROCESS GUIDE

This guide summarizes the items that the applicant/property owner is required to provide as part of the Pre-Approved ADU plan submittal process.

1. Confirm that the property is zoned for residential use.
2. Review the pre-approved ADU plan options located on the County's website and download the plan that best fits your property and needs.
3. Prepare a complete set of plans.
 - Complete the title sheet (T1.1) of the pre-approved ADU plans with the required site-specific information.
 - Prepare a scaled site plan that includes the location and dimensions of your home and all structures on site (e.g., detached garage, storage, pool) and the location of the proposed pre-approved ADU footprint.
 - Pre-approved ADU plans will have to demonstrate compliance with the development standards and requirements of the Orange County Codified Ordinance section 7-9-90 and Government Code sections 66314, et. seq., relating to Accessory Dwelling Units.
 - Complete the attached Plan Preparation Checklist and submit with your application.
4. Download and complete the Hold Harmless Statement, the Water Quality Plan/ Non-Priority Project (WQP/NPP) Exemption Checklist, and pages 1-2 of the Construction & Demolition Diversion Compliance Work Plan, all of which can be found on the County's website.
5. Obtain solar panel plans for the pre-approved ADU from a third-party solar installation company.
6. Submit the complete application at <https://myoceservices.ocgov.com/>.
Select the option to **Apply for Permit Applications** and choose the option to **Submit Multiple Permits** to group the appropriate permits (e.g., building, mechanical, electrical, plumbing, solar) into one package for ease of reference.
