Subject: AT&T and Verizon cell tower location near Cameo Highlands

Attention: This email originated from outside the County of Orange. Use caution when opening attachments or links.

Dear Ms. Duggan,

I am writing to ask that you protect our lovely community from the dangerous and destructive cell tower placement near our homes in Cameo Highlands. Please ask AT&T and Verizon to move the towers to a location on the Pelican Hill golf course that is less impactful on our residential area. The golf course offers plenty of room to tuck the towers in to a more discreet spot. We need and want the cell service, but not at the cost of our health or property values.

Thank you,
Kelli Schwartz
